## RELEASE OF CAMPERS

Parents entrust Camp Rockin' U with their most precious possession – their children. Therefore, Camp staff strive to provide the best care of all camper when they are our responsibility. The following guidelines help Rockin' U staff avoid problems during drop off, visitation, and pick up days.

1. Campers are only released to authorized persons. Parents/guardians complete and sign the below information authorizing the release of their camper to someone other than themselves. Picture identification is required for release of campers to authorized persons.
2. Authorized persons get directed to the camp director, or a designee, to sign out their camper.
3. If a custodial parent requests their camper not be signed out to a noncustodial adult, such a request must be in writing.
4. When a last-minute change in who will pick up a camper occurs, new instructions are to be verified with the camp director, or a designee, by the custodial parent/legal guardian.
5. No camper may leave camp at any time without prior authorization from the custodial parent and the camp director, or a designee.

### No-Shows/Absentee:

Campers who are registered for resident camp sessions are expected to arrive within designated time frames. In the case of late arrivals, telephone calls may be made to parents/guardians and/or the designated emergency contact to determine if/when absent campers will be brought to camp. No refunds will be given if camp is not notified in time to fill the slot with a camper on the waiting list.
